Alternatively, in the event that a motion to approve the item fails, the Commissioners adopt as support for their actions on the proposed zoning map change the determination that, notwithstanding its consistency with the *Comprehensive Plan*, the request is neither reasonable nor in the public interest in light of information presented in the public hearing and in the accompanying agenda materials.

Staff Recommendation: Staff recommends approval, based on consistency with the *Comprehensive Plan*, and considering the information provided in this report.

Planning Commission Recommendation and Vote: Denial with additional committed elements, 11-1 on April 13, 2010. The Planning Commission finds that the ordinance request is not consistent with the adopted *Comprehensive Plan*. The Commission believes the request is not reasonable nor in the public interest and recommends denial based on inadequate transportation infrastructure, inconsistency with neighboring land uses, concerns regarding impacts on the environment, and opposition from the community.
