Check back for updates

Call 560-0700 for directions or questions.

**One-Stop Early Voting** allows voters to vote at selected sites before election day. All voters have the option of voting early. No excuse is needed. The process is very similar to voting on Election Day: Voters walk into any One-Stop site and state their name and address. If the information in BOE records needs updating, this can also be done during On-Stop Early voting. Voters will receive the exact same ballot they would receive on election day which is put into the tabulator. The ballots will be counted on election night, like every other ballot.

**Not Registered?** Citizens may register to vote and vote with proper identification at any one stop site. [More information here.](#)
